### **STAFF ANALYSIS SUMMARY**

#### **COUNTY MANAGER**

County staff has been working diligently to complete the renovation of the Charter Hospital into the MATS facility. This component will provide the construction of a lavatory, laundry room and a locker storage unit. This is the critical component of the MATS facility and upon completion will allow for full occupancy. I recommend approval. TL 5/18/2005

#### **DEPUTY COUNTY MANAGER FOR PUBLIC SAFETY**

The completion of this project will allow for the current Sobering Services Program to transition to the MATS facility. This transition will increase the bed capacity by almost 100%. I recommend approval of this item. Jdantis 5/17/05
